

# Fell Race Founder Jim Smith RIP

Jim Smith sadly passed away on Saturday 17 November.

Together with George Broderick he devised and organised the first Jura race... and came 2nd! In his 30's and 40's he was an awesome runner clocking up amazing times at the Ben (1.38 ) 2nd in the Manx MM and winning Jura.

He was one of the founder members of the Fell Runner's Association and a proper chap.

As he got older and unable to race he was still there at races on the tops of hills handing out tangerines and more recently taking numerous photos.

He loved the Isle of Jura and continued coming for many years to support the race.

We will miss you.
